FS-AUTOB Insert compatible with Autobahn®

Folded Space

Assembly Instructions

The package contains one double and two single sheets.

After assembly the trays are put in up to two layers in the original game box.

Ordinary PVA glue is required when assembling each tray.

Please make sure you dry-assemble each tray correctly before gluing it together.

Please check www.foldedspace.com for general assembly tips.

Tray legend:

Tray 1a - service station improvements
Tray 1b - traffic tokens
Tray 2a, b, c, d - player pieces, including basic action cards
Tray 3 - Improved action, advanced action and other cards
Tray 4 - coins
Tray 5a - road sections, city tokens, and delivery tokens
Tray 5b - bonuses, road blocks, wine tokens, and goods tokens

Note: the delivery, department and service station boards are placed vertically at one end of the box as shown. The remaining boards and rule book go on top of the insert trays. The four wine cards are placed with the other cards in the card tray.

Tip: Keep the instructions in the bottom of your board game box as a reminder of how the insert fits together.
